Our three canal day boats are 30' long self-steer narrowboats available for hire on an 11.5 mile lock free stretch of the Leeds and Liverpool Canal, between Wigan Top Lock and Johnson's Hillock Locks at Wheelton. This stretch has plenty to offer all the family, with lovely rural views of the Douglas Valley and the Rivington Moors. Amongst the amenities along the way towards Wigan are waterside pubs with good food on offer and Haigh Hall Country Park with playground facilities. In the other direction towards Wheelton you could visit the Botany Bay Complex which has on offer children's play activities, a museum, cafe, several floors of antiques and small shops. There are also places to stop for lunch if you should choose to go in this direction. Day boats are not permitted through the canal locks.

The boats are ideal for groups of all ages and are easy handle. Full instructions are given by staff before you depart to ensure your confidence and comfort. The boats can carry up to 10 people. They are equipped with a W.C., a grill and a two or four burner hob, hot and cold water supply and kettle. Buoyancy aids are provided as required.
